

Supplemental Information

LiveAuctions.TV

If you are unable to join us on sale day, the auction will be broadcast on www.liveauctions.tv. Live audio and live video will allow buyers to bid on animals just as if they were present at the sale. It is recommended you pre-register at www.liveauctions.tv prior to sale day to obtain a buyer number. A high speed internet connection is required for viewing and bidding.

YWR	Yearling Weight Ratio
WEPD	Weaning EPD
YEPD	Yearling EPD

All bulls are semen tested by Dr. Garth Waddoups. Sale day information will include current weights and scrotal measurements along with ultrasound data for ribeye, marbling and backfat.

Why so much emphasis on bulls?

Bulls have the greatest economic impact on any breeding program, thus bull selection is among the most important decisions and investments a cowman will make during the course of the year.

Scientists have long postulated that over 80% of the improvement in a herd over time is directly attributed to bull selection.
